# Specification

## Product Description

The KuKoo Stainless Steel Catering Table is ideally suited towards any commercial kitchen setting for example, restaurants, hotels and cafes.

Made from 430 stainless steel, the bench is the perfect material as it has excellent corrosion resistance, including high protection against acidic foods. The steel can endure high temperatures and combat oxidisation. Spot on for your kitchen!

Featuring a 100mm splash back, it will help protect the wall from a splatter. Cleaning up will be a breeze due to the inclusion of 2 microfiber cloths.

Time to get those culinary masterpieces started!

# Specification

## Product Features

- 1) Feet
- 2) Legs
- 3) Table Top
- 4) Splash Back
- 5) Lower Shelf

# User Guide

## Operation Instructions

### Step One:

Before you start, we recommend you assemble the catering bench on a soft surface. It may be easier if 2 people build the bench together.

### Step Two:

Slide the 4 legs into the lower shelf sockets. Position and secure using the screws provided. The sockets can be found on the sides of the lower shelf. The lower shelf should sit 150mm above the ground.

### Step Three:

Once the lower shelf is securely attached to the legs, slide the legs into the table top sockets. They can be located under the surface. Finish by securing into place.

### Step Four:

Before use please clean all accessories to ensure safe and hygienic use when working with food.

# Troubleshooting

## Resolution Guide

Please read through the guide below if you have any issues or faults with your device. The information covers and resolves the majority of frequently asked questions.

**Q: There are parts missing from my order.**

A: If there appears to be any part missing from your package, please contact our Customer Support team via the details on the Contact Us page.

**Q: Why is my bench warping?**

A: You will be over loading the bench with a weight higher than its holding capacity. Please remove some of the items.

**Q: Why is my bench unsteady and wobbling?**

A: The bench may be on an uneven surface or the legs are at different heights. To resolve this, the feet are adjustable and so you can individually change the heights to stop the movement.

# Safety Advice

## Safe Working Practice

Please read through the safe working practice to ensure prevention of injury or damage to the device.

Do not over load the bench.

Position the bench on flat and solid ground.

Ensure all parts are properly attached before use.

Keep the KuKoo Stainless Steel Catering Bench clean to prolong working life.

Do not sit and/or stand on the bench.
