Specification

Product Description

The KuKoo Catering Sink is ideally suited towards any commercial kitchen setting for example, restaurants, hotels and cafes.

Made from stainless steel, the bench is the perfect material as it has excellent corrosion resistance, including high protection against acidic foods. The steel can endure high temperatures and combat oxidisation. Spot on for your kitchen!

Featuring a 100mm splash back, it will help protect the wall from a splatter. With the option of a left or right hand side sink, you can work the sinks around your kitchen!

Time to get on those rubber gloves and wash up those pots and pans!

User Guide

Assembly Instructions

Step One:

Before you start, we recommend you assemble the catering bench on a soft surface. It may be easier if 2 people build the bench together.

Step Two:

Add the feet (G) to the legs (D). Attach the legs to the sink (A) using E. Each leg will require E x2

Step Four:

Secure the lower shelf (C) with the short screws (F). Your catering sink is now complete - make sure you fit taps with correct plumbing.

Troubleshooting

Resolution Guide

Please read through the guide below if you have any issues or faults with your device. The information covers and resolves the majority of frequently asked questions.

Q: There are parts missing from my order.

A: If there appears to be any part missing from your package, please contact our Customer Support team via the details on the Contact Us page.

Q: Why is my catering sink unsteady and wobbling?

A: The sink may be on an uneven surface or the legs are at different heights. To resolve this, the feet are adjustable and so you can individually change the heights to stop the movement.
