Product Description

Traditionally window cleaners have relied on ladders, platforms and scaffolds – well you don't need to anymore! Let us introduce the MaxBlast Window Cleaner Poles! Perfectly suited to reach those windows 20, 24 or even a massive 30 Ft high! Work from ground level and require no extra ladders – the ultimate safety.

But don't stop at windows, you can even use the cleaning pole to clean cars, fences, drainage systems and so much more! You can even use to water your lawn. So much more diverse than you can imagine!

The window cleaning pole is easy to store and extend thanks to the locking mechanism. Simply lift the bar, extend to desired length and lock to the chosen length.

Team the MaxBlast Window Cleaning Pole with the MaxBlast Water Trolley – a compact, simple to use, portable and easy to store combination. You really can complete your cleaning jobs with total ease.

Troubleshooting

Resolution Guide

Please read through the guide below if you have any issues or faults with your MaxBlast Window Cleaning Pole.

Q: There are parts missing from my order.

A: If there appears to be any part missing from your package contact our Customer Support team via the details on the Contact Us page within 7 days of receipt.

Q: The liquid won't spray out the attachment and/or the pressure is unstable.

A: Make sure there is plenty of water in the tank and it is fully charged/attached to a power supply. Check there is no blockages in the tubes or water tank. Clean the tubes/tank. If it is still not working correctly, the water suction tube is damaged and needs to be replaced.

Q: The joint is leaking.

A: Please check the caps and attachments are securely fastened. The rubber seal may need replacing.
