

WARNING

Read, understand, and follow all instructions before using this device.

Do not exceed the rated capacity. Use only on hard, level surfaces. Wheels may scratch or damage less durable surfaces such as linoleum or wood. Ensure the load is centered and secured with a load restraint device before moving it. Do not make any alterations to this product. Wear ANSI-approved safety goggles and heavy-duty work gloves during use. Stay clear of the load's path while placing it on and removing it from the dollies, and while moving it. Use the device only as intended; do not use it for aircraft purposes. Always use in pairs. Inspect the device before each use; do not use if any parts are loose or damaged. Be aware of dynamic loading! Sudden load movements may briefly create excess load, causing product failure.
