User Guide

Assembly Instructions

Step 1- Pilot Holes

- 1) Make sure you have marked where all the pilot holes should be. Use the diagrams to help.
- 2) Drill the pilot holes.
- 3) Fix the back frame (1), articulated arm (2) and side frame (3) into the cabinet using the flat head screws provided.

- 4) Make sure all screws are secure before proceeding.

User Guide

Assembly Instructions

Step 2- Adjustable opening for the door

- 1) Attach the side frame (3) to the articulated arm (2), and then attach the arm to the back frame (1).

- 2) Mark out the fixing position for the door connector on the cabinet door. Use the diagram below to help.
The small circles represent pilot holes.

User Guide

Assembly Instructions

- 3) Drill the pilot holes.
- 4) Attach the door connectors to the cabinet door using the screws provided. The door connectors are already attached to the side frame (3).

- 5) Attach the storage baskets by simply slotting them onto the back and outer frames.

Troubleshooting

Resolution Guide

Please read through the guide below if you have any issues or faults with your device. The information covers and resolves the majority of frequently asked questions.

Q: There are parts missing from my order.

A: If a part is missing please get in touch with us within 7 days on receipt of your order. You can call or email our friendly and helpful Customer Support Team. Please see the details on Contact Us page.

Q: What kind of tools should I use to assemble the Corner kitchen baskets?

A: A tape measure, ruler and pencil will be needed to mark out the create fixings positions for each item. A drill will be needed to create pilot holes for the screws. You will need a screwdriver to secure the screws.

Q: How do I maintain my corner kitchen basket unit?

A: Check the screws regularly for tightness, and tighten when needed. If the baskets need cleaning, use water and a damp cloth, as chemical cleaners could damage the basket.

For all other issues please contact our Customer Support department via the details on the Contact page.

Safety Advice

Safe Working Practice

Please read through the safe working practice to ensure prevention of injury or damage to the device.

Do not assemble the Corner kitchen basket unit if any parts are damaged and/or broken.

Use eye protection when using tools such as the drill.
Ensure loose clothing and hair is tucked away when using a drill.

Make sure parts of the corner kitchen basket unit are secure before continuing with assembly.

The product should only be used indoors, as it could lead to damage if left outside and unprotected.

Check the screws regularly for tightness, and retighten if necessary.

Do not over exceed the shelving capacity, detailed on the Specification page.
Note- The capacity is based on the weight distributed across the whole shelf.

Always keep the weight evenly distributed to avoid any damage, and to prevent the baskets from leaning.

Be sure that each basket is properly clipped into place before you begin storing items in the baskets.
