# Specification

## Product Description

The KuKoo Cocktail Bar Station is ideally suited towards any commercial bar setting, such as restaurants, hotels and clubs. Made from 304 stainless steel, the bench is the perfect material as it has excellent corrosion resistance. The steel can endure a variety of temperatures and combat oxidation. Featuring a 100mm splash back, it will help protect the wall from a splatter. The drinks rack also allows for easy access to cocktail ingredients for your bartenders, making your bar much more efficient!

## Product Specifics

Dimensions:

- External: 850mm H x 550mm W x 850mm D
- Internal: 280mm H x 730mm W x 440mm D
- With Dividers: 240mm W per section
- Waste Pipe: 930mm L x 30mm Diameter

Weight: 38 KG

Material: 304 Stainless Steel

The sink plug is located centre-left of the basin. This is where the Waste Pipe will run from.

## Monster Guarantee

If you wish to return a product in perfect working order, we provide a 14 day returns policy as long as the item is unopened and in a resalable condition. A 12 month warranty applies to all of our electrical products; we will cover labour, parts and delivery charges. Our policy is to try and fix the item before arranging an exchange or refund.

If for any reason a part is missing please get in touch with us within 7 days on receipt of your order. You can call or email our friendly and helpful Customer Support Team. For full terms and conditions contact our Support Department via the details on the Contact Us page.

Monster Group UK Limited's liability will be limited to the commercial value of the product only.

- 2) Sink/Ice Well
- 3) Drinks Rack
- 4) Lower Shelf
- 5) Feet

# User Guide

## Assembly Instructions

The KuKoo Cocktail Bar Station comes with adjustable feet, to allow use in a variety of locations.

To adjust the feet, place the Cocktail Bar Station where you want it to go.

To adjust the feet, simply twist them to increase or decrease the height of the Cocktail Bar Station.

This may need to be repeated on multiple legs to ensure a flat and stable surface.

The Cocktail Bar Station includes a drain in the ice well. This can be plumbed by an appropriately trained person or plumber, or there should be a contained placed on the bottom shelf to catch any water from melting ice. If the Waste Pipe is to be fitted the same way a washer is fitted, be sure that the pipe itself does not run upwards or else the waste will not clear.

# Troubleshooting

## Resolution Guide

Please read through the guide below if you have any issues or faults with your device. The information covers and resolves the majority of frequently asked questions.

**Q:** There are parts missing from my order.

**A:** If there appears to be any part missing from your package, please contact our Customer Support team via the details on the Contact Us page.

**Q:** Why is my cocktail bar station unsteady and wobbling?

**A:** The bar station may be on an uneven surface or the legs are at different heights. To resolve this, the feet are adjustable and so you can individually change the heights to stop the movement.

# Safety Advice

## Safe Working Practice

Please read through the safe working practice to ensure prevention of injury or damage to the device.

Do not over load the cocktail bar station.

Position the cocktail bar station on flat and solid ground.

Ensure all parts are properly attached before use.

Keep the KuKoo Cocktail Bar Station clean to prolong working life.

Use only mild detergent or water to clean the Cocktail Bar Station to prevent corrosion. Ensure the Cocktail Bar Station is thoroughly dried after cleaning.

Do not sit and/or stand on the Cocktail Bar Station.

Two people are required to lift or move the Cocktail Bar Station. Do not attempt to lift and/or move by yourself.
