# SPECIFICATION

## PRODUCT DESCRIPTION

Thank you for purchasing this KuKoo Double Tier Over-shelf unit. With a whopping 100KG per shelf, this heavy-duty unit allows you to add extra room to any workspace and get your kitchen, café or restaurant organised.

The shelf is made from stainless steel, which means that cleaning up spills will be effortless! It is also resistant to corrosion and easy to secure to the surface of your bench – you'll be ready for your customers in a jiffy!

This item is designed as the perfect addition to our range of catering benches if you need that extra bit of storage space.

# SAFETY ADVICE

## SAFE WORKING PRACTICE

Please read through the safe working practice to ensure prevention of injury or damage to the device.

Keep the KuKoo Stainless Steel Catering Bench clean to prolong working life.

Do not use this product for anything other than its intended purposes.

Ensure you have read and fully understood the instruction manual and safety advice before using this product.

Do not allow children to touch this product.

Do not sit, stand or lean on this product.

Ensure this product is fitted correctly.

We recommend that this product is assembled by two people.

Keep body parts clear of pinch points when assembling or disassembling this product.

Use this product on an even surface.

Do not exceed the stated weight.

Do not use this product upside down.

Ensure that this product is the correct dimension for the bench it is to be fitted on.

Be aware of any sharp edges on this product.

# USER GUIDE

## ASSEMBLY INSTRUCTIONS

### Step One:

To begin assembling the over-shelf, place the top shelf flat (Part. A) on the ground so that the underside is facing upwards. Insert the 4 metal rods (Part. D) into these holes and press down to secure.

Diagram. 1

### Step Two:

To attach the second shelf layer (Part. B), keep the top shelf flat on the ground and line up the second shelf against all the rods. Make sure that the underside is facing upwards. Slide the second shelf down until it is halfway down the metal rods and secure each side into place with a ferrule locking screw.

## ASSEMBLY INSTRUCTIONS

### Step Three:

To attach the support feet (Part. C) onto the over-shelf, slide these onto the end of the metal rods and press down to secure into place.

Diagram. 3

### Step Four:

To attach the over-shelf to your KuKoo Catering Bench, place the shelf on the surface of the bench, ensuring that the pre-drilled holes on the support feet are resting on the outer sides of the bench. Insert tapping screws into these to secure the shelf into place.
