# Specification

## Product Description

The Kukoo Commercial Food Cart is a heavy-duty stainless steel cart. Its open storage allow for easy access to your products, and makes for a quick clean up!

It is the ideal for concession stands, festivals and events. Little assembly is required, meaning you can take it anywhere!

This is the perfect product for serving food on the go!

## Monster Guarantee

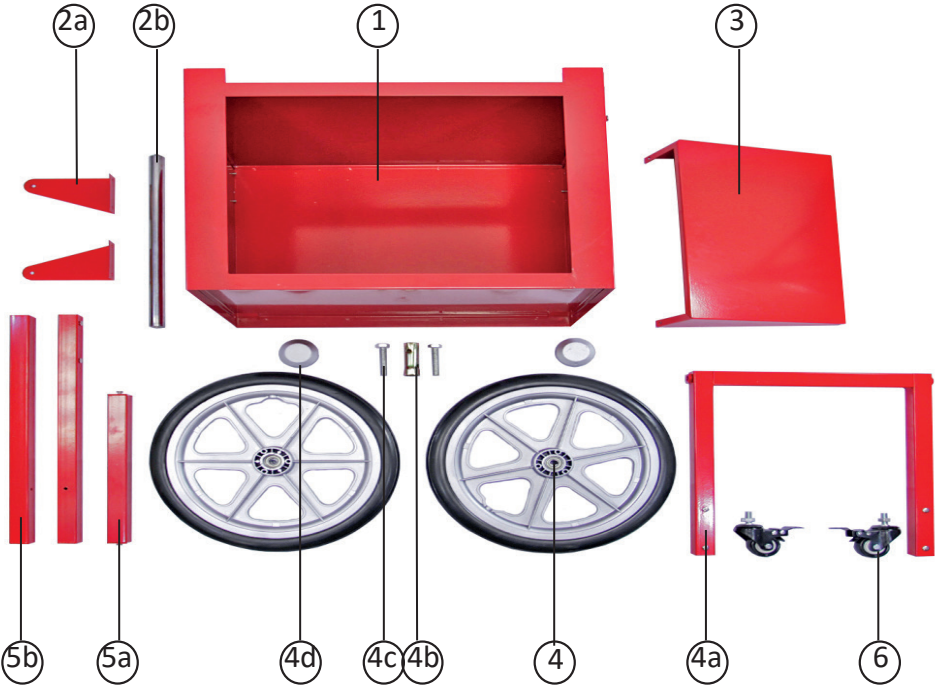

If you wish to return a product in perfect working order, we provide a 30 day returns policy as long as the item is unopened and in a resalable condition.

A 12 month warranty applies to all of our electrical products; we will cover the cost of labour and parts. Our policy is to try and repair the item before arranging an exchange or refund.

If for any reason a part is missing please get in touch with us within 7 days on receipt of your order. You can contact our friendly and helpful Customer Support Team via email or call. For full terms and conditions contact our Support Department via the details on the Contact Us page.

## Assembly Instructions

# User Guide

## Assembly Instructions

Although the KuKoo Commercial Food Cart allows the Kukoo Popcorn Machine and Hot Dog Steamer to be portable and give an attractive display to customers. It is very easy to assemble and includes all the screws you will need, refer to the labelled diagram on the previous page.

- 1) Stand the cart container up right, the top and front panels should be open.
- 2) Attach the two handle supports (a) to either end of the chrome handle bar (b), then attach this to the left hand side of the cart.
- 3) Fasten the side tray to the right hand side of the cart.
- 4) Attach all the wheel components together. Secure the wheel onto the U frame (a) using the box spanner (b) to tighten the wheel bolt (c) and finish the outside of the wheel with the cover cap (d). Repeat this process for the opposite wheel and both should now be secured to the U frame. Connect this to the cart container on the right hand side below the side tray.
- 5) Fasten the short support (a) between the two long supports (b). Attach this newly formed H shape to the left hand side of the cart, underneath the handle.
- 6) Push the castor wheels into the base of the long supports, make sure they are fully connected and secure.

# Troubleshooting

## Resolution Guide

Please read through the guide below if you have any issues or faults with your device. The information covers and resolves the majority of frequently asked questions.

**Q:** There are parts missing from my order.

**A:** If there appears to be any part missing from your package contact our Customer Support team via the details on the Contact Us page within 7 days of receipt.

For all other issues please contact our Customer Support department via the details on the Contact page.
