NET WEIGHT	3.35KG

SAFETY ADVICE

SAFE WORKING PRACTICE

For safety concerns, the device has been strictly tested before shipment. However, incorrect installation or usage may lead to hazardous results such as electric shock and fire. To ensure the service life and best performance of the device, please read the notice and plate signs carefully and follow the safety instructions. Keep this guide properly for later use.

Please read through the safe working practice outlined here to ensure prevention of injury or damage to this product.

- To reduce the risk of fire or electric shock, do not expose the device to rain or humid environments.
- Electric discharge may last for a short period of time after the power is shut down. Please wait two minutes after the power is shut down before operating the device.
- To avoid the risk of electric shock, do not operate the device when the power is on.
- Do not plug and unplug the power cable when the power is on.
- Do not place anything containing liquid on the poster to avoid the risk of fire or electric shock caused by liquid splashing.
- Comply with the electrical safety regulations.
- Ensure the power supply is well-grounded.
- Strictly follow the installation method in this guide.

Product Description

Introducing our versatile A1/A2 LED Advertising Poster, designed to brilliant content. This sleek and efficient LED poster can be mounted on both ceiling and wall installation options to suit any space. Additionally, the A2 version features a magnetic front panel that effortlessly displayed on desks. Perfect for enhancing visibility and attracting attention, this poster is an essential tool for effective advertising and product presentation.

Monster Group UK Limited's liability will be limited to the commercial value of the product only.

USER GUIDE

OPERATION

1. Insert the poster into the LED Poster Frame.
2. Install the LED poster either on the wall using the bracket provided or stand it up on a flat surface with the pins provided.
3. Insert the plug into the wall socket and turn it on. The poster should now be illuminated by the light.

Installation

- Line the ceiling bracket with the frame backing.
- Install the nails into the screw holes.
- Screw the nails through the ceiling bracket holes into a secure ceiling/wall surface.

TROUBLESHOOTING

RESOLUTION GUIDE

WHAT DO I DO IF THERE IS NO POWER OR LIGHT?

Check if the lightbox is properly plugged in and if the power outlet is functioning. Inspect the power cord for any visible damage and replace it if necessary.

WHAT DO I DO IF THE LIGHTS ARE FLICKERING?

Ensure all electrical connections are secure. If the problem persists, the power supply or the LED modules themselves might need to be replaced.

WHAT DO I DO IF THE LED LIGHTBOX IS DAMAGED?

Inspect the lightbox for any visible physical damage. Replace any broken parts, such as the frame, diffuser panel, or LED strips.

WHAT DO I DO IF THE LED LIGHTBOX GETS WATER DAMAGE?

Inspect the lightbox for signs of water damage. Ensure it is placed in a dry environment and consider using waterproofing solutions if necessary. Replace any components that show signs of water damage.
