

welcome to the **future** of SAi
Flexi installation guide

1. Open your browser and go to activation website: <https://www.saicloud.com>
Input your product code in the Code field in the SAI Cloud web site and click Activate.

Activate a New License

Please enter the activation code that accompanied your software purchase.

Activation Code

Activate

Use this only if you have purchased a new license and you are activating this license for the first time.

2. If you already have an saicloud account, you can log in using the email address and password you previously created. If this is your first time activating an SAI product, select "I am new to the SAI Cloud".

Step 1. Login to your SAI Cloud Account

Create A Free SAI Cloud Account

- I am a returning customer
- I am new to the SAI Cloud

Enter your email address to get started.

Important: The email address you select for this SAI Cloud account will be the owner of the software. It will be used for all SAI software services. It is recommended you use a permanent business email address.

(ex. john@example.com)

Create Account

3. Enter the email address you want to use for your saicloud account. This will be your username. When you click Create Account, an email will be sent to you containing a link to confirm your activation.

Enter your email address to get started.

Welcome to the SAI Cloud.

Paste this link below into the address bar in your web browser.

https://www.saicloud.com/create_account?id=P3F8M4LUIXWH55D&locale=en

That's all there is to it!

5. Choose a password with at least 6 characters and retype it to confirm and enter in further details and click Create Account.

Create Account

* Email

* Password
Password must be at least 6 characters

* Retype Password

* Name

* Company Name

* Phone Number

* Country

* Time Zone

Address Line 1

Address Line 2

City

State/Province

Zip/Postal

6. Click **Activate Now** to confirm and link the license to the account. You have now created an saicloud account and activated your software on that account. Having an saicloud account means you can log back in at any time to download software again, get updates and manage your licenses.

Step 2. Add Software to your SAi Cloud Account

Add To SAi Cloud Account

This software license will be added to your SAi Cloud Account.

Activate Now

7. Hit the Download Now button and a zip installer will be downloaded.
